

# KEEPING YOU AND OUR TEAM MEMBERS SAFE?

## Physical Distancing

From floor markers to protective sheilds, physical distancing is promoted at all times to keep everyone safe.

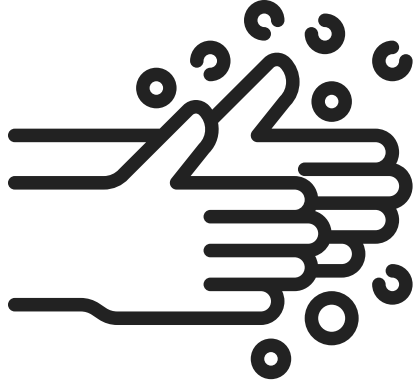

---

## All-day Sanitation

Our team continues to practice a rigorous cleaning regimen, day and night.

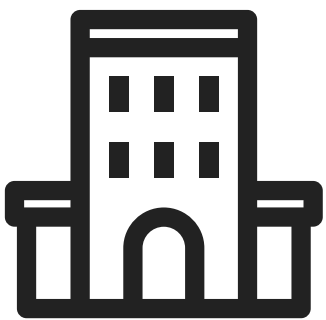

---

## Clean Hands

Sanitation stations are located through out the facility promote a germ-free environment.

---

## Reduced Occupancy

Limiting group and event sizes helps us maintain our reduced occupancy. New limits for each common space have been carefully calculated and posted.

---

## Supporting Personal Health Assessments

Associates and Racers who have recently traveled outside of the country or who are experiencing COVID-19 like symptoms are asked to stay home for everyone's safety.
